

WALSH UNIVERSITY & Communicate Institute

Winter/Spring '12 Schedule 3 semester hours in 2 weekends!

While our condensed format is obviously convenient, and our cost is comparatively low – don't be fooled. Our instructors teach **dynamic, activity-based courses** that address the needs of educators in an ever-changing climate. The courses are applicable, interactive and motivating. **Located solidly in Ohio** for 25 years, 50,000 educators have taken our courses for recertification and other professional needs. We come to locations near you – and the feedback has been overwhelming –our courses cause a motivational impact that online courses cannot. If you have questions: please call or e-mail - we encourage your questions and communication.

Our office hours are 3:30 to 5:30pm Monday through Friday. We return all messages within 24 hours.

Information

- **Select a course or courses:** Mail us a check for \$50, per class, **filling in the form on the back (p. 2 if printing)**. If **you** must cancel later, we hold your deposit for a new future registration within one year (or a colleague may use it, if you cannot). If **we** must cancel a class due to low-enrollment, your deposit is refunded to you, of course.
- **The total cost is \$575:** The deposit is part of this... so typically, \$525 is due on the first day. The non-credit option (rarely used) is \$395. All checks should be made payable to Communicate Institute.
- **Discount opportunities: Group:** 4 or more people mail registrations for the same class in one envelope: each gets \$40 off the total cost. No add-ons later, and if the group falls below 4 b/c a member cancels, the discount is voided. **Substitute Teacher:** Must mail registration with a signed letter verifying substitute status for the current year. This earns \$40 off total cost.
- **School year classes are two weekends: Fri 6-9:30p & Sat/Sun 8a-4:30p** Credit and Transcripts will be issued by Walsh University, fully accredited by North Central and ODE. Formal paper-work to be filled out on the first day.
- **For further questions or course details, visit communicateinstitute.com or call during office hours 3:00 to 5:30pm M-F.**
